“Building Locally, Linking Globally: Networking Micro-Communities of New Science and Math Teachers Using the NSDL to Advance Instructional Excellence in High Need Schools” (NSF DUE 0735011)

Stipend:

An opportunity for a stipend will be provided for full participation which includes sharing some of your own materials.

Webinar Information:

Session Name:

Online Resources for Teaching Mathematics

Session Details:

Day/Time: Monday, May 3, 3:45– 5 pm (please call in AND connect online at 3:45. Instruction will begin at 4:00pm.)

Session Link: https://csuelm.calstate.edu:443/join_meeting.html?meetingId=1265225553966

- Call (toll-free) 1-866-285-7780 and enter access code 5842181.
- To join the session, click on the Session link above. Enter your email address at the login prompt and leave the password field blank.
- You may join the session 15 minutes prior to the start time.
- If this is the first time you will be using Elluminate, you may be prompted to download some software which may take anywhere from 2 to 20 minutes depending upon your Internet connection speed. You can pre-configure your system with the required software by going to the support page located at: <http://www.illuminate.com/support/>

Content:

In this webinar we will demonstrate a range of good resources that may be used to assist in teaching mathematics in secondary classrooms. Participants will:

- Be introduced to the Mathematics Education Community and related links
- View some of the online materials/activities available through MEC
- View sample lesson plans
- Learn how to share materials and lesson plans with others online
